## Charles Morris Young, 95, WorldFamed Artist, Native Of Gettysburg, Is Dead

Charles Morris Young, 95, a native of Gettysburg and its most noted representative in the world of art in this country and abroad, died Saturday at his home in Radnor, Pa. He had been ill for several months.

He had won prizes and medals in national and international art exhibitions in this country, Europe and in South America during his long association with the art world.

Born in Gettysburg, he began painting at the age of 16. He carved souvenir canes, etched with Civil War scenes and sold them for 50 cents each to pay for his tuition at the Philadelphia Academy of Fine Arts.

### HUNT SCENES FAMOUS

Despite his age, Mr. Young had remained an active painter and had played golf on his 94th birthday. He was 95 in September.

Young was probably best known for his landscapes and his paintings of hunt scenes. Several of his local landscapes were presented to the Adams County Public Library about 1950 and are displayed in reading rooms there. A trust fund for their care and upkeep was established by Mr. Young.

Mr. Young was the son of Christopher Baughman and Anna Louise Swisher Young. He was educated in the public schools here and by tutors before entering the Philadelphia Academy. He studied under Colorassi in Paris in 1897 and 1898.

### INTERNATIONAL HONOR

He married Eliza Middleton Cox of Philadelphia on November 18, 1903.

Some of his early notable achievements in the field of art were honorable mentions and the Tappan Prize at the Philadelphia Academy in 1893 and 1894. He added honors at the Buffalo Exposition in 1901, a silver medal at the Charleston Exposition in 1904 and at St. Louis in the same year. There was a gold medal for him from the Art Club in Philadelphia in 1908. Later exhibitions in Buenos Aires, Panama, Amsterdam, Budapest and in Santiago, Chile, added to his international fame. His paintings have been hung in the Corcoran Art Gallery in Washington, D.C.; at Rochester, N.Y., and in many private collections in this country and abroad.

His "Snow Scene" at Moret, France, caused a stir in the Paris salon of 1898. The painting was purchased by William Chase and hung in his studio for 40 years.

Surviving are four sons, Arthur, Christopher, Philip and Brinton. His wife is deceased and he was (Continued on Page 2)

## Typhoon Strikes South Viet Nam

SAIGON, South Viet Nam (AP)—Another typhoon bore down today on South Viet Nam's central coast area, still not recovered from floods in which nearly 7,000 persons drowned and hundreds of thousands were left homeless.

The new storm was expected to hit the coastal resort of Nha Trang where Typhoon Joan caused wide devastation earlier this month. Emergency measures were taken in the city of 55,000, where several U. S. installations are located.

A U. S. weather expert said Kate, third typhoon to strike the central coast this fall, is expected to cause heavy damage despite precautions.

In the flood area, U. S. military sources said Viet Cong guerrillas were wlaying villagers at roadblocks and seizing food.

## Blizzards Lash Arizona; Motorists Are Stranded; Many Hunters Marooned

PHOENIX, Ariz. (AP) — A snowstorm that blitzed the Rocky Mountains Sunday brought blizzards to northern Arizona and spilled wintry weather across normally mild central and southern deserts.

Hundreds of motorists were stranded, hunters marooned and 13 persons reported missing as the late-afternoon blizzard struck the Kingman area in Arizona's northwest corner.

All the missing were found later. Arizona 93, the main route from Phoenix to Las Vegas, Nev., was closed by the highway patrol after at least 100 cars were stranded about 15 miles south of Kingman.

The Arizona Highway Patrol also shut off U.S. 66 to the east, and the Mohave County sheriff's office dispatched its jeep

posses into snow-swept desert mountains south of Kingman in search of the lost, who were mostly hunters. All were found by late Sunday night.

Sheriff Floyd Cisney said he'd never seen a heavier storm so

## MARYLAND MAN FATALY HURT IN CAR CRASH THIS MORNING

Roy Frederick Boone, 28, Westminster, died this morning at 9:05 in the Warner Hospital of injuries received in an auto accident near Fairfield earlier today.

The Adams County coroner, Dr. C. G. Crist, said the death was caused by a compound fracture of the skull apparently suffered when a car in which Boone was a passenger was in an auto collision, and then smashed through a barn yard fence, and a portion of the fence entered the car and apparently struck Boone on the head.

Dr. Crist said only about three inches of the wooden fence was inside the car; the remainder was outside the vehicle.

FATHER OF THREE According to the coroner, Boone was married and father of three children, aged three, five and seven. The body was released to a Westminster undertaker.

According to police, Boone was a passenger in a convertible operated by Martin Luther Harbaugh, 32, also of Westminster, south on the Fairfield Station Rd. 150 feet north of the Fairfield borough line at 12:25 this morning.

Harbaugh, according to the officers, sought to pass a southbound auto operated by George R. Bucher, 22, Fairfield R. 1, just as Bucher attempted a left turn into a township route. After the two cars collided the Harbaugh vehicle smashed through the fence into the James Landis barnyard.

Police said damage amounted to several hundred dollars but did not complete their investigation concerning damage at the scene because of the necessity of getting Boone to the Warner Hospital here in the Gettysburg firemen's ambulance.

### CAR DEMOLISHED

The accident was one of two investigated by state police this morning.

At 7:40 today, approximately five miles south of here on the new Route 15, a car operated by Gary R. Reeves, 17, Gettysburg R. 2, skidded off the rain wet highway, hit a utility pole and overturned. Reeves' car was demolished. Police said there were no injuries in the accident.

Smith was told that he could be free on \$500 bail until sentence by the Adams County court December 14, but told the justice he felt he might as well go to jail and thus have served at least a portion of any jail sentence by the time he appeared before the court.

Smith was one of two men charged by state police before the justice with drag racing after their cars allegedly smashed side by side into the New Oxford square center plot at 9 p.m. on October 27. ## POLICE SEARCH FOR DRIVER IN \$9,000 CRASH AT GAS STATION

Damage was estimated at "in excess of \$9,000" Saturday night when a car smashed into the restaurant portion of Fair's Esso Station two miles south of York Springs on the Hanover Rd. The station was closed for the night at the time of the crash.

The vehicle, which state police said was owned by Richard A. Elder, Hanover, apparently was headed north at about 9 o'clock Saturday night when it veered across the road into the parking lot at the Fair station, demolished a public telephone booth at the corner of the lot, and smashed through the front of the structure. Half of the auto was inside the restaurant section of the building.

### OCCUPANTS DISAPPEAR

State police said the occupants of the car disappeared from the scene immediately after the accident. York Springs firemen, the York Springs ambulance and state police were summoned by persons who heard the crash, but on arrival were unable to locate anyone involved in the accident. There was evidence, however, that someone may have been injured in the crash. Police are continuing their investigation.

Robert Fair, owner, said the front of the concrete block and frame building was demolished by the impact. He said the telephone booth appeared to be run over.

Fair estimated his damage at "\$8,500 and possibly more." (Continued on Page 3)

Burglars broke into the Upper Adams Lanes bowling alley near Biglerville on the Gettysburg-Biglerville Rd. early Saturday morning, taking an adding machine, cigarettes, candy and cash.

County Treasurer Daniel J. Wolff, who owns the establishment said it is the ninth time that it has been burglarized.

## 3 IN FAMILY ARE KILLED BY MONOXIDE

INDIANA, Pa. (AP)—Triple-death tragedy has struck an Indiana County family for the second time in 10 years.

Five-year-old twins and a baby girl of Mr. and Mrs. Harry Treese were found dead Sunday morning in a car parked near the family home at Marion Center R. D. 1, apparent victims of auto exhaust fumes.

Three other children in the family were killed by fumes Oct. 23, 1954, when the family lived at Beckers Point, also in Indiana County.

### TWINS DEAD

Killed Sunday were twins Karey, a boy, and Kathy and Linda, 15 months.

Found unconscious in the car were Treese, 42, his wife Clara, 37, their daughter Donna, 7, and son Richard, 6. They were hospitalized.

Police said the family returned home from a tavern in nearby Glen Campbell and fell unconscious in the car with the motor running. A neighbor found them.

Mrs. Veda Moore, admitting officer of Indiana Hospital, said the family apparently was overcome by fumes from the auto. The father and Donna were listed in serious condition and Richard and the mother were in satisfactory condition.

The 1954 victims were Robert, 5, Gloria, 3, and Shirley, 23 months. Authorities blamed those deaths on carbon monoxide poisoning. They said the children were killed by fumes from a defective flue on a coal stove in a bedroom.

Dan Rairigh, a funeral director in nearby Hillsdale, who buried the 1954 victims, said all six dead children were from the same family.

## Airliner

siding settlement of Arden, where Baker said he had seen the plane.

The season's first snow was falling heavily as the search was launched. Soon after the F27 disappeared McCarran Field was closed to traffic. Another Bonanza plane, Flight 104, landed north of the city at Nellis Air Force Base.

Six to eight inches of snow covered the open desert country near Arden, and higher drifts stalled many rescue-party cars.

### IN SIGHT OF STRIP

The highway and the railroad run through the bottom of the 4,500-foot-high valley, which is within sight of the neon glow of the Las Vegas strip to the north. Most of the valley is open country where a plane could possibly survive a forced landing.

Not many miles away on the east and west are mountains. On the west, in the Clark Mountains, slopes climb steeply to 8,504-foot Potosi Mountain. To the east foothills rise to 5,000-foot heights.

Bonanza officials hoped at first the plane might have been flown to another field after its pilot somehow lost radio communications. The plane carried enough fuel to keep it aloft until 11 p.m.

## RETARDATION FOR CHILDREN BEING FOUGHT

An all-out attack on the problem of mental retardation at national and state levels was saluted and action on the local level called for today by Evers Rinehart, president of the Adams County Chapter of PARC, as National Retarded Children's Week opens in Adams County. "An effort like this," said Mr. Rinehart, "can be successful only when it begins here at the grass roots of community life. Only when we recognize the need for treatment, training, education and acceptance of the mentally retarded who live here among us in Adams County will we begin to tackle this problem as it should be tackled."

Half the incidence of mental retardation in our country today could be prevented, according to Mr. Rinehart. "If all the knowledge we now possess was applied," he said, "we could cut mental retardation down by 50 per cent."

Mr. Rinehart pointed to a report issued from Washington today by Wilbur J. Cohen, assistant secretary of health, education and welfare, which tells of measures now being taken to prevent mental retardation. The report cites new legislation to support research, to build research, treatment and training facilities, and to extend and strengthen educational programs for handicapped children.

"During the coming week," Mr. Rinehart said, "we will do all we can to reach the public with the latest information about mental retardation. We hope that, with public understanding, we can do our part to cut down this tremendous problem which affects five and one half million Americans today."

### ONE HUNDRED YEARS AGO

The Board of Directors of the Poor next on Monday week, when Col. Graft took his seat, in the room of John Eckenrode, whose term of service expired. The Board now consists of Maj. Bollinger, Geo. Mackley and John N. Graft.

At an election for President and Managers of the Gettysburg and Petersburg Turnpike Company on the 7th inst. the following gentlemen were chosen: President, Wm. D. Himes; managers, William McSherry, J. W. Wirt, M. Samson, Joseph Bayly, J. H. McClellan; treasurer, J. H. McClellan.

The result of last Tuesday's election is one of the most glorious events in the history of the American People. Abraham Lincoln is not only elected by an almost unanimous vote in the electoral College but his popular majorities are far beyond all anticipations. No man ever witnessed a prouder day than President Lincoln now beholds. The people have said, well done, good and faithful servant, and have him go on in discharge of his onerous duties until by the aid of Divine Providence he has accomplished the work assigned him. The result of the election means that the loyal people of this nation are determined that the great democratic doctrine that the majority shall govern shall be maintained and that minorities must submit. It was against this that the traitors took up arms. It was against this that the democrats became their allies. The latter have been signally defeated at the polls. The former will be as surely defeated at the cannon's mouth.

**President Lincoln's Speech:** On Wednesday morning, between two and three o'clock, a number of Pennsylvanians, finding that the President was at the War Department, repaired thither with a band and serenaded him. Mr. Lincoln acknowledged the compliment in the following remarks: "Friends and Fellow Citizens: Even before I had been informed by you that this compliment was paid me by loyal citizens of Pennsylvania friendly to me, I had inferred that you were of that portion of my countrymen who think that the best interests of the nation are to be subserved by the support of the present administration. I do not pretend to say that you who think so embrace all the patriotism of the country. But I do believe, and I trust without personal interest, that the welfare of the country does require that such support and endorsement be given. I earnestly believe that the consequences of this day's work — if it be as you assume, and as now seems probable — will be to the lasting advantage, if not the very salvation of the country. I cannot at this hour say what has been the result of the election; but whatever it may be, I have no desire to modify this opinion, that all who have labored today in behalf of the Union organization, have wrought for the best interests of their country and in the world, not only for the present but for all future ages. I am thankful to God for this approval of the people. But while deeply grateful for this mark of their confidence in me, if I know my heart, my gratitude is free from any taint of personal triumph. I do not impugn the motives of any one opposed to me. It is no pleasure to me to triumph over any one. But I give thanks to the Almighty, for this

## Today's Talk

### INTERESTS

I am convinced a man begins the downgrade the moment that nothing interests him any more. We are kept alive by these interests, so that when they die down we start to die. The secret is to keep a fire under our interests so that they may never give us a chill.

A man is a better shop keeper, professional man, or what-not, if he will but cultivate one or more interests outside those that take most of his time, and which furnish him with his major income. I was amazed when I learned that an old advertising friend of mine, who early gained distinction as a copy writer, took to the hobby of painting, and he showed me some excellent examples. He told me that this was his outside joy, that he only painted to give himself inward pleasure, and in turn to be complimented by a few friends who accepted some of the paintings as gifts.

None of us can have too many interests, just so long as at least one of them is sufficient to sail our frail craft safely through the troubled waters of this life. Interests should always stir us, inspire us and help to make us more creative. It is so important to keep the machinery of the mind in good order — and a multitude of interests do exactly this.

That's what makes youth so delightful and thrilling. There is an age of wonder, of speculation, and new interests every day. As we drop our earlier interests we drop that much out of our youth. You see interests, or hobbies, if you want to think of them as such, keep putting one on one's mantle. They keep one in a state of expectation, which is always a healthy state in which to be!

Stevenson once wrote that "it is always better policy to learn an interest than to make a thousand pounds." He also referred to an interest as "imperishable and ever new." Only the collector himself can express the joy that his pursuit creates. Only as a treasurer discoverer can he aptly describe himself. And how often has he helped to enrich the world, as well, by his persistent search, and often through great personal sacrifice!

The male members of the Church of the Immaculate Conception, New Oxford, have formed a Catholic Union and elected the following officers: President, E. G. Topper; V. President, O. A. Smith; Secretary, M. J. Smith; Treasurer, Jas. A. Smith.

Last Wednesday morning at an early hour a new barn of Jacob Weikert in Freedom was totally destroyed by fire with its contents, including crops, a horse and several vehicles. The cause of the fire is not known; insurance was light.

The Presbyterians are to have an organ recital in their church on the evening of December 3rd. Assistance has been promised from home and abroad. The proceeds will be used to pay off the indebtedness on the new pipe organ.

Mr. Chas. M. McCurdy, for the past fourteen years teller of the Gettysburg National Bank today severs his connection with that institution, to accept a position in the Columbia National Bank of Washington, D.C. In common with many friends we regret Mr. McCurdy's removal from Gettysburg as he is one of our brightest, most intelligent and active young business men but his new position is in the line of promotion and no one could expect him to remain. We predict for him a successful career in the new field of work.

Cards have been issued for the wedding of Miss Jennie McKnight, daughter of President and Mrs. H. W. McKnight, Gettysburg College, and Rev. E. Luther Deyoe, pastor of the Lutheran church at Emmitsburg, Md. in Christ Church, Nov. 19th.

### Michaels In Dramatics At St. Cloud College In Minn.

Mr. and Mrs. R. Keith Michael, both members of the faculty of St. Cloud State College, St. Cloud, Minn., are known as "Mr. and Mrs. Theater," in central Minnesota.

Mrs. Michael, the former Miss Marion V. Bankert, daughter of Mr. and Mrs. Clarence O. Bankert, 47 Prince St., is an assistant associate professor of speech and dramatic arts at the college and production director for the summer theater.

Her husband, a native of Muncy, is now director of theater and professor of speech and dramatic arts at the college and production director for the summer theater.

Both are graduates of Indiana State College, she in 1951, and he in 1952. They both did graduate work at the State University of Iowa, where they were awarded Master of Fine Arts degrees in 1958.

When the Michaels joined the St. Cloud faculty four years ago, the college already was placing a great deal of emphasis on drama under the direction of Dr. Arthur Housman. Since 1960, they have helped Dr. Housman establish Theatre L'Homme Dieu, a college related summer theater. This spring they took a cost of 17 students to Europe to present the musical comedy "Pajama Game" at military bases.

### MARRIED 10 YEARS

The Michaels were married in 1954. She worked in summer theater, including Allenberry Playhouse at Boiling Springs, and taught for two years at Taneytown Junior High School. Meanwhile, Keith served as a Navy gunner officer from 1952-56. In 1958, followed study in Iowa, they departed for the University of Bristol, England, where both enrolled in a special post graduate program.

They saw more than 100 productions in 14 European countries. Upon returning to this country in 1959, the Michaels spent a year at Western Washington College, Wash., where Keith was a guest lecturer in drama.

Marion, who is a 1947 graduate of Littlestown High School, has appeared in nearly all the productions at Theatre L'Homme Dieu, and is considered the mainstay of the company. Her husband has directed 16 of the theater's 30 productions, which have been attended by more than 30,000 persons.

### Vendor Is Robbed Of Life's Savings

BUFFALO, N.Y. (AP) — Mohamed Ben Ali had hoped to retire this year after 40 years of selling hot chestnuts, peanuts and popcorn from his pushcart. Saturday night burglars stole what he called his life savings of \$24,000. The money included \$10,000 in coins, stuffed into peanut bags and hidden in shopping bags.

"I saved and saved and saved — all for a burglar," said the 68-year-old vendor. "I'm just a man without a life. I feel like the blood has run out of me."

Ben Ali, who lives alone, has been a widower nearly 20 years. He left his native Morocco as a teen-ager.

After losing money in the 1929 stock market crash he began to store his cash in paper bags.

HARRISBURG (AP)—There's three different shades of concrete on the new 23-mile section of Interstate 81 between Chambersburg and Shippensburg.

The reason: The State Highway Department said over the weekend that the road will be used to test the effect of chemicals and abrasives on the pavement.

The new interstate section will officially be opened to traffic Friday.

Untreated portions will remain the usual concrete white in appearance. Another section will be light tan between Chambersburg and Scotland.

Between Scotland and Shippensburg, the road surface will take on a "salt and pepper" appearance where a black material has been added to prevent moisture from seeping through concrete.

**DEMOCRACY**  
This is democracy pure:  
To keep merit secure;  
To let every man  
Achieve what he can;  
To let genius be  
Unhindered and free.  
Tyrants all must restrain  
What high courage may gain;  
Threaten young and old,  
Lest the truth shall be told  
And all progress prolong,  
Lest a foe shall grow strong.  
But democracy mines.  
It invents and designs,  
It discovers and toils,  
Seeks minerals and oils  
And does all that it can  
For the welfare of man.

### Start Restoration Of Ford Theater

WASHINGTON (AP) — The old Ford's Theater building is to be closed on Nov. 30 so that work may start on restoring the interior to its appearance the night of April 14, 1865, when President Abraham Lincoln was assassinated.

Work will take about two years, said Secretary of the Interior Stewart L. Udall. Congress has voted \$2,730,600 for the restoration.

The building now houses the Lincoln Museum and has little to indicate that it was once a theater. During restoration the museum items will be placed in storage but later will be on display in the theater basement.

### Study Confirms Submarine Canyon

DURHAM, N.C. (AP) — The first direct evidence confirming existence of the "Hatteras submarine canyon" was reported by Duke University scientists Sunday.

Dr. Robert Menzies, director of the university's oceanography program, said sonar soundings from the university research ship Eastward indicated the chasm in the Atlantic Ocean floor off Cape Hatteras is several hundred feet deep and may be several hundred miles long. The canyon has been an object of speculation for more than 20 years.

## WEST GERMANS SEEK RED TIES

By JOHN O. KOEHLER  
BERLIN (AP) — West Germany wants to renew official contacts with Red China in the spring, a top official of the Bonn government reports. An exchange of trade missions could result, but the chief goal is political.

Talks between the two governments would not take place until Chancellor Ludwig Erhard explained his position to President Johnson, the official said.

"Now that the American elections are over, we can move ahead in our dealings with Red China," he added.

West Germany and Red China signed a one-year trade agreement in 1957, but it was not renewed. German and Chinese officials held preliminary talks earlier this year. The Chinese Communists said then they were willing to sign a new trade agreement with West Germany providing for an exchange of trade missions and including a clause stating that West Berlin is considered economically and politically part of West Germany.

## ROCKET FAILS IN THIRD STAGE; CURB PROGRAM

By HOWARD BENEDICT  
CAPE KENNEDY, Fla. (AP) — America's scientific satellite program has been slowed seriously by problems with a new third stage on the once reliable Delta rocket.

Three Delta launchings scheduled in October and November apparently will be delayed until 1965. They are the Tiro 9 weather satellite, an orbiting solar observatory and an Explorer radiation-sensing payload.

These delays in turn will cause postponement of follow-on Delta shots. Only two launching pads here are available for the rocket, the workhorse booster for medium-size satellites.

**SEEK NEW MOTOR**  
The National Aeronautics and Space Administration's Goddard Space Flight Center is trying to solve the third-stage problem. It also is looking for a possible substitute motor.

The third stage, called the X258, is 59 inches tall, weighs 576 pounds and burns solid fuel. It has been used four times on Delta rockets and not once has it performed as intended. However, three of the satellites achieved orbit, and two — the Syncom 3 communications platform and the first Interplanetary Monitoring Platform — IMP-1 — are operating as planned.

An Explorer ionosphere-study satellite failed to orbit and IMP-2 achieved such a low orbit that most of its instruments are not providing useful data.

**DOUBT CAPABILITY**  
A space agency spokesman said engineers believe the X258 is "tipping-off" and "coning." Tipping-off is a term to describe a slight jar when the X258 separates from the second stage, knocking it off line. Coning means that it travels in spiral fashion instead of on a straight line.

The demanding missions assigned to the Delta rocket may have extended the stage beyond its capability.

IMP-2, for example, was to have shot into an orbit with a high point of 161,000 miles. It reached only 59,000 miles. The X258 has performed satisfactorily on four occasions, however, when it has been a segment of a smaller Scout satellite rocket, whose assignments call for low orbits which are relatively easy to achieve.

## Owls Eliminate Bullets As Small College Power With Decisive 32-20 Win

In a most important small college football game in the east over the weekend, the Gettysburg College grid forces ran into a brick wall as Temple University romped to a 32-20 win Saturday afternoon in Temple Stadium before 9,500 fans.

About the only consolation the Owls got out of their trip to Philadelphia was the fact that they are still MAC champions and that well over half of all the fans at the game were Gettysburg followers many of whom made the trip from Gettysburg. The battle was the final of the 1964 season for Gene Haas' squad. Gettysburg posts a 7-2 overall record and a 5-1 MAC mark. Temple, with one game remaining against Hofstra, is 3-1 in the league and 6-2 on the season.

Gettysburg is a team which usually lets its opponents score first then shoots past to win. However, the Owls pulled the opposite by jumping over the goal line with the game's first score with just 2:44 gone in the contest. With the help of a 15-yard penalty against Temple and Jim Ward's 14-yard bootleg, Gettysburg journeyed 76 yards on nine plays. The finale came on Ken Snyder's amazing catch of a Ward pass for the last 33 yards of the drive. Snyder then turned around on a fake placement and passed to Rod Albright for the two-point conversion.

### OWLS TAKE COMMAND

The score rattled the Owls' feathers and for the Bullets that meant doom. Following the kickoff, Temple took over on its 28. On the first play from scrimmage, Jerry Preschutti shot through the middle end of the line and streaked 57 yards to the Gettysburg 15 from where, on the next play, Fred Fuchs darted over for the score. Fullback Ed Niewinski bolted up the middle for the two-point conversion and the count was tied at 8-8 with only 4:17 minutes of action.

Gettysburg had trouble getting its attack going and consequently wound up on its own with a fourth down coming up. Ward booted the ball out but Preschutti returned it to the Bullets 16. The Owls found the going a little rough and, on their fourth down and five, decided to try a field goal. Specialist Ray Chimento split the uprights from 27 yards out and Temple was never behind the remainder of the contest.

With only 41 seconds gone by in the second period, the Owls were over the goal line again. This time the host club marched 49 yards on eight plays with quarterback Joe Petro tossing to end Steve Speers for the last 14. Chimento kicked the placement and Temple led 18-8 and held the margin through the rest of the first half. Temple controlled the ball during the last seven minutes of the second quarter.

**WARD-BOYD TD PASS**  
Gettysburg made a bid to get back in the ball game by scoring with 7:17 gone by in the third period. Ward set up the scoring drive with another 14-yard romp around left end. The Bullets quarterback then rifled a pass to Dale Boyd covering 42 yards and climaxing a five-play, 72-yard drive. Don Enders' placement was wide.

Temple turned around and dampened Gettysburg's hopes with another score following the kickoff. The Owls traveled 86 yards on seven plays with Petro rolling over from the one. Again it was Preschutti who set up the TD with a 67-yard jaunt. With seconds remaining in the period, Dale Boyd gave the Bullets what looked like another opportunity to score. Boyd, on the reverse, carried 75 yards to the Temple eight, but as

he was hit the ball went flying and Temple had a recovered fumble.

The Bullets used the midway point of the final stanza to chip away again at the Temple lead. This time, Rod Albright, playing one of the finest ball games of the season, intercepted a Petro pass on the Gettysburg 18 and galloped 82 yards for a touchdown. Ward's pass for the conversion was complete to Enders but the Camp Hill native was nowhere near the end zone and was hit immediately.

### TEMPLE ICES GAME

The Bullets score came with 8:45 showing on the clock. Temple went to work on Gettysburg and controlled the ball for the next 8:35 minutes and added another score in the process. The Owls took 14 plays to eat up the clock and 62 yards. Niewinski bolted over from the three with 10 seconds to go and the game was Temple's.

Despite his poor passing performance, Ward managed to set a new passing mark, tie another and miss two by inches. He threw 23 aerials to boost his total of 177, five more than Earl Little tossed in 1961. He also completed five of those throws to hit the 90 completion mark and tie Little in the same department. His total passing yards rocketed to 1,233, just 27 off the old mark and his two TD passes gave him 17 on the year, one less than the school mark.

Gettysburg went into the game as the east's number one small college team and the nation's ninth ranked. However, the loss will almost completely eliminate the Bullets from both rankings.

## Blakely Defends Conference Title

SCRANTON, Pa. (AP)—Defending champion Blakely puts its Northern Division lead on the line this week when it meets West Scranton in a top East Penn Football Conference game. The Bears, unbeaten though twice tied in the last two years, were idle last weekend to retain its division lead over West Pittston.

Coal Twp., meanwhile, became the unofficial champion in the South, by whipping Berwick 26-7, to soar past Pottsville in the division standings. Both Coal Twp. and once-tied Pottsville have completed their conference schedules. But for the Bears from Blakely, it's a different story.

A West Scranton win or tie would push West Pittston into first place in the North.

### PIAA GRID OFFICIALS

Among those who recently passed the test to become PIAA football officials were Dale J. Hemler, McSherrytown; Jon P. Pensly, Gettysburg R. 3; Charles J. Stonesifer, 179 Hanover St. and Donald H. Waddell, Biglerville R. 2.

## Struzer Wins Two Power Boat Races

RICHMOND, Va. (AP)—Walter Struzer, a regional champion from Norristown, Pa., won two races Sunday in an American Power Boat Association regatta in nearby Varina. He beat national 280-hydroplane champion Andrew Lemeshewsky of Fairfax, then stepped up into the fast 266 cubic-inch racing class and won, despite an outstanding effort by fellow 280 cubic-inch class racing driver Tommy Price of Richmond.

## DIVING CATCH GIVES COLTS 9TH VICTORY

By MURRAY CHASS  
Associated Press Sports Writer

Alex Hawkins is the Baltimore Colts' third captain, sixth running back and seventh pass receiver.

He also is a major reason why the Colts are within one victory of gaining the title in the National Football League's Western Conference.

Hawkins, filling in for injured end Raymond Berry, made a diving catch of a 26-yard touchdown pass from Johnny Unitas that boosted the Colts to a 17-14 victory over Minnesota Sunday.

**YTH STRAIGHT WIN**  
The Colts' ninth straight triumph gave them a virtually insurmountable 3½-game lead over Detroit and Los Angeles, which both lost. They now have four games in which to win one that will make them conference champions for the first time since 1959.

Hawkins, in his fifth season, is one of the most valuable utility men in the league. He plays where he is needed—behind five other runners and six other pass receivers—but his primary job is heading the special teams—the kicking and receiving units.

In that position, he joins quarterback Unitas and defensive end Gino Marchetti as Baltimore's captains.

**SCORED FIRST TD**  
But in his position of end Sunday, he caught only his second pass of the season and scored his first touchdown since 1962. The 6-foot-1, 186-pound veteran entered the game on offense a short while before he was called on for the winning catch. It came with six minutes left and Baltimore trailing 14-10.

The touchdown was the 15th of Hawkins' career, putting him slightly behind Jimmy Brown, who has 103. Brown scored two touchdowns in Cleveland's 37-21 victory over Detroit.

In other games, Chicago stopped Los Angeles 34-24, New York tied St. Louis 10-10, San Francisco upset Green Bay 24-14, Philadelphia edged Dallas 17-14 and Washington walloped Pittsburgh 30-0.

## SCORELESS 1ST HALF

The Colts broke a scoreless tie with Lou Michaels' 35-yard field goal and Unitas' 74-yard touchdown pass to Lenny Moore in the third quarter. Moore's score marked the 13th consecutive game in which he has gone across with a touchdown.

Minnesota, however, came back with two touchdowns, Frank Tarkenton's 16-yard aerial to Hal Bedsole and Tommy Mason's 21-yard run.

Brown's scoring smashes of six and two yards placed him only two behind Don Hutson's all-time record for total touchdowns. Lou Groza added field goals of 38, 47 and 36 yards to the Browns' victory that shot them 2½ games in front in the Eastern Conference.

## CHAMBERLAIN FEELS BETTER

By THE ASSOCIATED PRESS  
Wilt Chamberlain is feeling better and the rest of the National Basketball Association knows it.

Chamberlain, who missed the San Francisco Warriors' first five games because of a stomach ailment, scored 62 points Sunday night as the Warriors topped Cincinnati 122-106.

The 7-foot-1 giant hit 26 field goals and his teammates threw a defensive blanket around Jack Twyman and Oscar Robertson to win it.

In Sunday's only other NBA game, Los Angeles whipped Detroit 111-105.

At Atlas guarded Twyman and Nate Thurmond handled Robertson as Warrior Coach Alex Hannum decided to swap assignments. Atlas thwarted Twyman's fast break and limited the Royal veteran to two points. Robertson scored 22.

Los Angeles stretched its Western Division lead to two games over the idle St. Louis Hawks, rallying from a 10-point deficit to beat Detroit.

## BILLS' STREAK IS ENDED BY BOSTON 36-28

By DICK COUCH  
Associated Press Sports Writer

Key injuries and costly fumbles opened the gates. Babe Parilli's right arm finished the job. But the Buffalo Bills' magic may have started to slip away when they called for the fireman before the fire had started.

The Boston Patriots capitalized on Buffalo mistakes Sunday and, with Parilli firing five touchdown passes, rallied for a 36-28 American Football League victory that ended the Bills' winning string at nine games.

Injuries to pass receivers Glenn Bass and El Dubenion and defensive back Booker Edgerson contributed to the Buffalo fadeout. So did three fumbles that set up Boston touchdowns. The tip-off, however, came in the second half when the Bills made a mistake that won't show in the game statistics.

### MORE BACKFIRE

They sent in Daryle Lamonica—when they were ahead.

Lamonica, the league's No. 1 relief pitcher, had come off the bench in six previous games and led the Bills to comeback victories. But, when he replaced starting quarterback Jack Kemp midway through the third quarter, with Buffalo leading 28-14, the move backfired.

After a five-yard delay-of-game penalty moved the ball from the Buffalo 27 to the 22, Lamonica threw an incomplete pass, was tossed for a 10-yard loss on the next play and then lost the ball to Boston's Larry Eisenhower on the 5.

Parilli immediately flipped a five-yard scoring pass to Gino Cappelletti and the Patriots struck for two more touchdowns in the last quarter to pull it out.

### RACE TIGHTENS

While the Bills' loss tightened the Eastern Division race, the San Diego Chargers closed in on the Western title by whipping Kansas City 23-14 behind second-year quarterback John Hadl. The Denver Broncos surprised the New York Jets 20-16 and the Oakland Raiders topped the Houston Oilers 20-10.

Boston scored the go-ahead points on Parilli's six-yard pass to Larry Garrison and a two-point conversion flip to Cappelletti, whose 24 points raised his league-leading total to 122.

The Pats' victory lifted them within 1½ games of the front-running Bills in the Eastern race. The clubs wind up the season at Boston next month in a game that could decide the title.

The Chargers, 7-2-1, can nail their second successive Western crown by winning two of their remaining four games.

## GORDIE HOWE WINS ANOTHER

By THE ASSOCIATED PRESS  
Chalk up another National Hockey League record for Gordie Howe, but while you're at it, keep an eye on Bobby Hull, who's authored a couple of his own.

Howe, the Detroit Red Wings' Mr. Everything, scored the 627th goal of his brilliant career over the weekend, making him the highest goal scorer in NHL history. Howe broke Maurice (Rocket) Richard's mark of 626 including regular season and playoff games, against Richard's former club, the Montreal Canadiens Saturday night as Detroit was dropping a 4-2 game.

It was Hull's turn Sunday night. The Chicago Black Hawks' blond bombshell whistled three goals past Toronto's Johnny Bower for his second hat trick of the season as the Hawks beat the Maple Leafs 4-2. It was Hull's 13th career hat trick and brought his goal production for the season to 11, tops in the NHL.

In Sunday night's other games Detroit whacked New York 6-2 and Montreal and Boston tied 2-2.

## THIS WAS THE NIGHT OF THE TITLE BATTLE

BOSTON (AP)—Yon Cassius lies lean and sickly—behind the Muslim curtain—looking not the least like the heavyweight champion who was originally going to defend his crown against Sonny Liston tonight.

Cassius Clay, in case you've been out of touch, underwent surgery for an incarcerated hernia Friday night.

Bundini Brown, Clay's assistant trainer, phrases the disappointment over the fight postponement this way:

**HEAVILY GUARDED**  
"Just two days to go and he was so pretty. He was getting evil, too, good and evil like he had to be for this. All this work—it's like milkin' a cow and having him kick it over."

The latest medical report issued on Clay reads, "improving and feeling kind of happy" despite the big letdown.

Boston City Hospital issues an occasional phrase but no one gets by Clay's heavy guard of Black Muslims, the organization which gave him the name Muhammad Ali by which he prefers to be known.

## LISTON LEFT LEAVES

Liston left town, with the lament: "I feel very bad. I was ready to go. Clay probably got that hernia because when he opens his mouth so wide, with so much talk, a lot of winds gets in. His hernia gave me some financial surgery."

Dejected promoters began the job of redeeming \$275,000 worth of tickets sold on the bout. They estimated the losses from their standpoint at around \$75,000. Frederic Brooks, head of the closed-circuit TV firm, figures losses in that field at between \$100,000 and \$400,000.

## 6 TO 9 MONTHS

Liston said he did not think the postponement would have any bad effect on him and that he probably would not try to take another fight before Clay is ready for the rematch.

Bill Faversham, Clay's manager who favors the tight scheduled in Boston in May if conditions permit, said he personally was willing to waive a contract clause and permit Liston to take a tuneup bout.

Medical men can't seem to agree as to how long it might be before Clay can fight again. Estimates now range from six to nine months.

## F-M WINS IN FINAL PERIOD OVER MULES

By THE ASSOCIATED PRESS

Barring a big upset in next Saturday's final college football weekend of 1964 in Pennsylvania, the state should wind up with two unbeaten, untied teams—Westminster and Franklin & Marshall.

Westminster completed its first perfect season since 1956 last Saturday with a crushing 47-7 triumph over Juniata, the Titans' eighth straight victory. Smitty Connell threw two touchdowns in a glib-edged performance of 18 completions for 31 good for 262 yards.

F. & M. intercepted a pass that led to a final period TD and a 29-22 victory over Muhlenberg. The Diplomats, however, had to steal a touchdown-bound pass from a Mule receiver in the final minute to preserve their seventh straight victory. F. & M. has only Ursinus left, and rates a big favorite to win easily.

### E. STROUDSBURG WINS

The State College Conference title game went to East Stroudsburg, 27-14, over Indiana as tiny Glen Ray ran for two TDs and passed for two more. East Stroudsburg led 13-0 at halftime and 20-0, before Indiana scored in the third quarter. This was the first league title for E. S., the Eastern Division representative. Indiana, Western champion, lost in its first appearance in the playoff.

Other highlights in the tight next-to-the last weekend action: Temple defeated Gettysburg, 32-20, after spotting the Middle Atlantic Conference University Division champions an 8-0 lead in the first few minutes. Gettysburg was ranked first in the small college Lambert Cup voting last week. The Bullets' Ken Snyder upped his state individual scoring lead total to 74 points.

### 5TH PSU WIN

Tom Burbanik, a 215-pound senior from Donora, Pa., carried the ball 18 times in the first three quarters and scored one TD, to power Penn State to a 24-7 Saturday night victory over Houston. Halfback Joe Vargo returned a punt 78 yards for another score. The victory was the Nittany Lions' fifth this season, assuring them at least a 500 season. It will maintain Coach Rip Engle's record of never having had a losing year at State.

Pitt beat Army 24-8 as Fred Mazurek outdueled Rolfe Steweh in a quarterback rivalry. The Cadets' passer gained 33 yards passing and 103 running as compared to 128 combined for Mazurek, but the Pitt signal caller helped put the points on the scoreboard. Susquehanna lost five fumbles in losing 17-12 to Youngstown.

Penn ran into Columbia's Archie Roberts on one of his red hot days and lost 33-12. Roberts threw three TD passes, completing 14 of 19 passes for 175 yards. Villanova suffered a second straight reverse after six victories, losing 13-6 to George Washington. This defeat would seem to be the crusher of any Villanova bowl hopes.

**TRADITIONAL RIVALRIES**  
Lehigh and Lafayette, who meet Saturday in the longest college football series on record—their 106th game—both lost, although Lehigh almost turned in one of the big state upsets of the year. The engineers lost 3-0 to heavily favored Bucknell. Lafayette, winless with one tie in eight games, lost to Davidson 31-12. Davidson was the only team Lehigh has beaten this year in eight outings, if you're looking for a comparison of the two old rivals.

Next week's card is full of the usual traditional rivalries. Haverford and Swarthmore have it out at Swarthmore, Pitt and Penn State close so-so seasons at University Park. Muhlenberg meets Moravian in the Lehigh Valley natural at Moravian, and of course, Lehigh and Lafayette have their go around.

# CROWD GREETSB LBJ SUNDAY AT WHITE HOUSE

By FRANK CORMIER  
WASHINGTON (AP) — President Johnson, back in the White House for the first time since his big election victory, got a backyard welcome Sunday night from Cabinet members, staff aides, children and dogs.

A crowd of several hundred, headed by Secretary of State Dean Rusk, gathered at the south portico to greet the President and Mrs. Johnson as they arrived by helicopter on the final leg of a trip from their ranch home in Texas.

"My," said Johnson, "It's so nice to see all of you."

Johnson is expected to remain in Washington only a few days and hopes to spend much of the next seven weeks at his hill-country ranch near Johnson City.

**INFORMAL GREETINGS**  
Rusk and other Cabinet members and their families were the first to greet the Johnsons, setting up an informal receiving line alongside the helicopter ramp.

The others, most of them White House employees, some in work clothes, then formed a narrow aisle through which the Johnsons walked into the executive mansion, handshaking all the way.

The President apparently had no advance word of the very informal affair.

Someone handed him the leashes of his two beagles, Him and Her, soon after he alighted, and he kept the dogs in tow on the trek to the house.

Even Blanco, the first family's white collie, who has a reputation as a loner, joined in the welcome.

**DODGE FOR DIETERS.** For a delicious shortcut to dieting, try soup. Serve it as a first course and you will be amazed

at how it hones the edge of your hunger.

Then you just naturally want for less and eat less of the main course. And not eating an average of food because you do not want it makes a diet really painless.

Soups, suitable for a first course, are both hearty and calorie-wise. For example, take a

The President had only one announced-in-advance appointment today, to participate in the noontime swearing in of Arthur M. Okun as a member of the Council of Economic Advisers.

Okun fills a vacancy left by the resignation of Heller. Johnson elevated Gardner Ackley, a council member, to the chairmanship.

Johnson's two-week stay at his ranch home left him tanned, rested and in fine humor.

## Rush Is On For Top Spots In State Legislatures; No Candidate Shortage

By JACK LYNCH  
Associated Press Writer  
HARRISBURG (AP) — The rush is on for two of the most important positions in state government: Speaker of the House of Representatives and president Pro Tempore of the Senate.

There's power, prestige and gold in the two offices.

Consequently, there's no shortage of eager candidates, particularly with the departure of some of the old hands who held a monopoly on the two jobs for years.

Gone are Sen. M. Harvey Taylor, R-Dauphin, who was president pro tempore for 18 of the last 20 years; and Reps. W. Stuart Helm, R-Armstrong, and Hiram G. Andrews, D-Cambria, who divided the speakership between them for 10 years.

### PARTY LOST CONTROL

Taylor probably could have been elected for another two year term as pro tem had he not failed to win renomination to his regular seat in the April primary. Helm would be out in any case because his party yielded control of the House to the Democrats. Andrews left the House two years ago.

The two posts, especially the president pro tempore, are coveted first, but probably least important, for the money. In addition to their regular legislators' compensation of \$6,000 salary and \$3,000 expenses the speaker and the president pro tempore are given unaudited "contingency" funds of \$9,000 each.

### PATRONAGE POWER

Both officials have considerable patronage at their disposal. The president pro tempore has 117 Senate jobs, answerable to him alone. The speaker controls only seven employees directly, but in practice he is the boss of the entire 200-employee House payroll.

The real power, and it is imposing, rests in their control over House and Senate committees.

The two officials appoint committee chairman, who, in turn, have the personal power to kill or advance legislation. Of course, they owe the power to the speaker and the president pro tempore and are influenced by them. The officers also determine to which committee a bill will be assigned.

### REGULATE LEGISLATION

Ambitious holders of the two offices could, if they choose, regulate the flow of legislation to increase their own political power.

One of their most important duties, sometimes the least tasteful, is that of presiding over the chambers.

It is a full-time job for the speaker when the House is in session. But it is only a part-time chore for the Senate president pro tempore.

The lieutenant governor is the Senate president under the constitution, but he has no other powers. The president pro tempore, as the title implies, presides only when the lieutenant governor is absent.

The presiding officer is virtually a law unto himself. Guided by parliamentarians he exercises tight control over floor action and debate.

### ONLY ONE UNSEATED

Only a majority vote of the membership can overrule decisions by the chair and attempts to do so usually fall flat. There was one notable exception, however.

Speaker Robert S. Spangler, York Republican, was unseated April 26, 1921, following a wild uproar in which most House members protested his handling of key legislation in the final days of the session.

Welfare bills backed by his own party were introduced three days before the date fixed for final adjournment. Immediate committee action and a report to the floor were vital to meet the constitutional requirement that all bills be read on three separate days.

Spangler received the bills,

## FIGHT TO AND OTHER RESPIRATORY DISEASES WITH CHRISTMAS SEALS

but put them in a drawer, intending to let them die.

### OPEN REBELLION

Protesting member screamed, shouted and jumped on desks. Sergeants at arms attempted to restore order by marching around the chamber with the mace, traditional symbol of the people's power.

Nothing worked. Spangler declared the session adjourned, an act that put the death sentence on the bills.

Angry members rebelled. They installed the chief clerk as presiding officer. He declared the House still in session and the chamber advanced the bills.

### RECEIVE THREATS

Temper still seethed the following day and Spangler was voted out of the speakership. He was replaced by Samuel A. Whitaker, R-Chester.

The incident was recalled in March of this year when fist-waving Democrats, livid because speaker Helm had shut off debate on the Scranton Administration's unemployment compensation bill, threatened impeachment of Helm.

They failed to follow through on the threat because, as a practical matter, they lacked the votes to win impeachment.

## UNDEFEATED IRISH MIGHT PLAY IN BOWL

By TED MEIER  
Associated Press Sports Writer

The feeling grows that the Fighting Irish of Notre Dame, the country's No. 1 college football team, may make themselves available for a bowl bid provided they beat Iowa this week and Southern California a week from Saturday to wind up a perfect 10-0-0 season.

The bowl situation jelled somewhat over the weekend with the announcement that Arkansas and Nebraska, each unbeaten and untied in nine games, will play in the Cotton Bowl at Dallas New Year's Day. Texas, 8-1, accepted an invitation for the Orange Bowl at Miami New Year's night. Unofficially Alabama, 9-0-0 and second-ranked nationally to Notre Dame, was indicated as the opponent for the Longhorns.

That leaves the Sugar Bowl at New Orleans and the Rose Bowl at Pasadena, Calif., as the other major bowls Jan. 1.

### SUGAR BOWL REPORT

A Sugar Bowl source told The Associated Press Sunday that Louisiana State, 6-1-1, and Syracuse, 7-2, will play there although no official announcement is expected until after this week's games.

The Rose Bowl is committed to teams from the Big Ten and Pacific Athletic Conference.

The powers-that-be at Notre Dame haven't said yes or no or maybe regarding a bowl bid, but there's no doubt the players would be for it.

### NO PROMISES YET

"I guess it would be great," said star pass receiver Jack Snow after the Irish walloped Michigan State 34-7 Saturday for their eighth in a row. "Going from a 5-5 season to a 2-7 season and now a bowl, I'd like it, but it's not up to me to say anything."

Coach Ara Parseghian declares only "it's an administrative problem" and Athletic Director Moose Krause denies saying "chances of accepting (a bowl bid) were one in a million, no a billion."

All this talk plus the fact that the athletic board, headed by University Executive Vice President Edmund P. Joyce, C.S.C., has made no announcement one way or the other, accounts for the feeling that the Irish might

## Ben-Gurion Quits Mapai Committee

TEL AVIV, Israel (AP) — Premier David Ben-Gurion quit the central committee of Israel's ruling Mapai party Sunday night after accusing it of illegally shelving his program for electoral reforms.

The committee approved Premier Levi Eshkol's proposal to shelve the program for four years. This was demanded by the left-wing Ahdut Avoda party, a member of the coalition government, because the party would lose parliamentary seats.

## Franco Demands Danes Explain

COPENHAGEN, Denmark (AP) — Gen. Francisco Franco, Spain's chief of state, has demanded that the Danish government explain why it took no action against demonstrators who burned him in effigy last month in front of the Spanish Embassy in Copenhagen.

Justice Minister K. Axel Nielsen told Parliament last week the government planned to take no action. The demonstrators were protesting a jail sentence given in Spain to Carlos Alvarez, a poet convicted of distributing material slanderous to Spain to foreign newspapers.

### 3 TEAMS CHOSEN

Team officials at Arkansas, Nebraska and Texas expressed elation at being named to bowls.

"It's a great day, a milestone, anything you want to say," Arkansas Coach Frank Broyles said after his Pioneers had crushed Southern Methodist 44-0.

"The players all shouted they wanted the Orange when I told them they could have their choice of a bowl," said Texas Coach Darrell Royal after the Longhorns had whipped Texas Christian 28-13.

Nebraska accepted the Cotton Bowl bid after defeating Oklahoma State 27-14 for its 16th straight victory. The Cornhuskers are fourth-ranked nationally, Arkansas No. 3 and Texas, last year's national champs, No. 5.

Michigan, No. 6, whipped Iowa 34-20, and Ohio State, No. 7, downed Northwestern 10-0 and now are primed for their Big Ten title and Rose Bowl bid clash Saturday. Woody Hayes, Ohio State coach, aptly termed it the "purgatory or Pasadena" game.

Stanford upset No. 8 Oregon State 16-7 to set up the confusing situation in the PAC. Oregon State, UCLA, Southern California and Washington share the lead and if Oregon beats Oregon State Saturday the Ducks would have the best overall team record 8-1-1, although only a 2-1-1 conference mark. That might lead those whose task it is to pick a team for the Rose Bowl to flip a coin.

Alabama crushed 10th-ranked Georgia Tech 24-7 and LSU, No. 9, downed Mississippi State 14-10 in other games involving The AP's Top Ten.

Princeton, another major unbeaten-untied team, won the Ivy League title by tripping Yale 35-14.

## MITTANY LIONS WIN THEIR 5TH OF THE SEASON

HOUSTON, Tex. (AP) — It was 1962 and Tom Urbanik, a youngster from Donora, Pa., was the starting left halfback for Penn State against Rice here.

Two fumbles later, Urbanik was on the bench. He didn't get off the rest of the year.

"My arms were sweaty and the ball kept squirting out," recalls Urbanik of the day when the temperature was in the high 80s.

### 122 URBANIK YARDS

It was cooler in Rice's 72,000-seat stadium Saturday night when Penn State played Houston, and Urbanik, working from the fullback slot this time, was red-hot, leading Penn State to a 24-7 victory.

He scored a touchdown on a one-yard run, which he set up himself on slashing drives early in the first period, and made five slashing runs in the third period to set up a 22-yard field goal by teammate Dick Gingrich.

In all, Urbanik gained 122 yards on 19 carries.

Gingrich, a defensive back, also booted three extra points as a replacement for kicking specialist Gerry Sanker who came up with blood poisoning after stepping on a nail last week.

LONG VARGO RUN  
It was a big night, too, for Joe Vargo, a senior defensive halfback. He scored his first varsity touchdown on a 78-yard punt return that broke the game open in the fourth period.

Bud Yost's pass interception which put the ball on the Houston seven-yard line set up State second touchdown in the first quarter. Three plays later a four-yard pass from Wydman to Bill Huber was good for a touchdown and a 14-0 lead for the Lions.

It was the first touchdown of the season for Wydman and also Huber's first score, although he leads the Lions with 25 catches.

The victory, Penn State's fourth in a row and fifth in its last six games, assured the Lions of never having a losing season in 26 years. Penn State is now 5-4 with traditional rival Pitt left to play next Saturday at University Park.

Philadelphia scored on the third play of the game after Earl Gros' 47-yard run carried the Lions to the Dallas 31. Ollie Matson made two and Hill then lofted a 29-yard pass to Retzlaff.

In the second period Baker kicked his field goal and the Eagles had led 10-0 at the half. Dallas, with its defense giving it three opportunities to score, got touchdowns in the third and fourth periods to finally take the lead.

Don Meredith ran three yards for one and Don Perkins rammed over from two yards out for the other.

The biggest crowd ever to see an NFL game in Dallas—55,972—turned out.

## Doubts Indonesia Can Explode Bomb

CANBERRA, Australia (AP) — Prime Minister Sir Robert Menzies expressed doubt today that Indonesia could explode an atomic bomb next year.

Brig. Gen. Hartono, director of the Indonesian army logistic service, said Saturday that Indonesia plans to launch home-made guided missiles and explode an A-bomb some time next year.

## EAGLES DOWN DALLAS 17-14 ON LONG PASS

By THE ASSOCIATED PRESS

DALLAS (AP) — "When I'm in trouble I start looking for Pete," said King Hill after Sunday's Philadelphia Eagles' 17-14 victory over the Dallas Cowboys at the Cotton Bowl.

Pete is Pete Retzlaff — and Hill found Pete with a perfect 38-yard pass and the winning touchdown in the National Football League contest with just 2:09 left on the clock.

It capped a 96-yard drive for the Eagles, with Hill, starting his first game at quarterback, gaining 76 yards in passing and 15 running on that final drive.

REDEEMING PLAY  
It was sweet redemption for the former Rice All-America, who earlier in the day had the ball jarred from him twice by the Cowboys defense. Once the fumble paid off with a Dallas touchdown and the other time Dick Van Raaphorst attempted a 16-yard field goal that would have tied the score. But he missed.

Hill passed for both of the Philadelphia touchdowns to Retzlaff and he also passed for 28 yards and ran for 14 in setting up a field goal by Sam Baker that was the eventual difference.

Baker, former Dallas player traded to Philadelphia, kicked the field goal from 43 yards. He also averaged 49.3 yards punting.

DRAW BIG CROWD  
Van Raaphorst, who replaced Baker at Dallas, failed on three attempts at field goals although two of them were very long—47 and 48 yards.

Philadelphia scored on the third play of the game after Earl Gros' 47-yard run carried the Lions to the Dallas 31. Ollie Matson made two and Hill then lofted a 29-yard pass to Retzlaff.

## HAIL GAINS IN FIGHT AGAINST RETARDATION

HARRISBURG (AP) — The State Health Department today hailed the first results of its 24-hour diagnosis to test for phenylketonuria, a disease which can cause mental retardation among children.

A department laboratory in Harrisburg uncovered the disease in an infant born in Towanda and the baby was quickly placed on a special diet and given the special treatment needed to prevent brain damage.

PKU, as the disease is commonly known, results when an infant is unable to change protein to usable food.

### MAKE EARLY CHECK

If detected soon enough, the department said, it can be brought under control. If not, irreparable brain damage caused mental retardation.

Under the system inaugurated five months ago, blood samplings from an infant not less than three-days old is sent to the department for 24-hour analysis.

Dr. Charles L. Wilbar, secretary of health, said one per cent of the children in the state's institutions for the mentally retarded are there because of phenylketonuria.

## BEGIN TALKING OF FLAMINGO

By ORLO ROBERTSON

Associated Press Sports Writer  
The Flamingo at Hialeah Park, first of 1965's major stakes for 3-year-olds, is some three months away but already horse-racing fans are talking of a clash between Bold Lad and Sadair.

Bold Lad, a hard-hitting son of Bold Ruler from Mrs. H. C. Phipps' Wheatley Stable, finished his 2-year-old campaign last month with a record of eight victories, six of them in stakes, and two seconds for earnings of \$387,741.

Sadair, a mighty fast son of the Argentine sire, Petare, from Mrs. Mary B. Hecht's North Forty Stable, still has the \$75,000-added Pimlico Futurity on Nov. 28 before winding up his 1964 season. But the ease with which he won last Saturday's \$301,700 Garden State Stakes at Garden State Park started fans talking of what will happen after the pair become 3-year-olds on Jan. 1.

It was 10 lengths back to Royal Gunner in the Garden State Stakes as jockey Manuel Ycaza sent Sadair over the 1-16 miles in track-record time of 1:41. He earned \$181,020 and boosted his bank account to \$387,306.

Most of Sadair's winnings came from the country's two richest races—the Arlington-Washington Futurity and the Garden State stakes. However, he has posted four stakes successes in compiling a record of seven firsts, one second and three thirds in 11 starts.

Senior Sets New Six-Mile Record  
HARRISBURG (AP) — Steve Gentry, the state's PIAA cross-country champion, set a new course record Sunday in winning the six-mile Junior Middle Atlantic and Open championship in Harrisburg.

Gentry, a senior at State College High School, ran the rugged reservoir park terrain in 27:45.4 to better the mark of 29:22 set last year by Jan Proseda of Bloomsburg. Proseda finished third.

Sixty-nine runners competed in the event sponsored by the Harrisburg Amateur Athletic Association and the city's recreation board. Sixty-six finished.

## Sudan Head Quits, Names Civilians

KHARTOUM, Sudan (AP) — Gen. Ibrahim Abboud has turned the Sudanese presidency over to the new civilian Cabinet and quit as commander of the armed forces after renewed demonstrations last week against military influence in government.

Abboud, 64, took a figurehead role after a student revolt last month paved the way for a civilian regime. Under pressure from the Cabinet, he agreed Saturday to retire. He had taken power as head of a military government in 1958.

## JERSEY GIANTS, NEWARK BEARS VIE FOR TITLE

By THE ASSOCIATED PRESS

The Jersey Giants and Newark Bears refuse to give ground in their race to the wire for the southern division championship of the Atlantic Coast Football League.

By the schedule, the regular season was to end next weekend. But a Jersey City-Boston game was postponed by wet grounds earlier and will be played the weekend of Nov. 29.

That game could decide the southern division race and also could be a preview of the championship playoff. Jersey City has a 10-1 record with two games left while Newark is 10-1-1 and winds up next week. Boston has clinched honors in the North.

Both teams rolled along Saturday night. The Giants trounced hapless Scranton, 31-0, and Newark bombed Atlanta, 30-14. In other action, Springfield blasted Pittsburgh Valley, 30-0, eliminating the Ironmen from the southern race, and Hartford closed out a successful campaign with a 41-6 triumph over Portland.

In a Sunday afternoon contest, Harrisburg defeated Westchester, 42-7.

LEBANON, Pa. (AP) — A 19-year-old Lebanon hotel clerk, arrested Saturday night, has been charged with three counts of arson by county authorities.

They identified the suspect as Daniel T. Bailey, who, they said, admitted under questioning to starting eight fires in the area since last July.

Bailey was specifically charged before Alderman E. Edward Swope with setting fires to three homes under construction, one in July, two more last week.

Authorities said the homes were valued at more than \$70,000.

## Farmer Finally Forfeits \$100,000 For Income Tax

By SEYMOUR M. HERSH  
CHICAGO (AP) — William Lusk, 58, ended his 15-year battle with "those government tax boys" Friday and went home to his Southern Illinois farm \$100,000 poorer.

Wearing a hearing aid rented for him by the government at \$1 a day, Lusk calmly watched as federal Judge James B. Parsons signed a court order divesting Lusk of more than \$100,000 in securities.

Judge Parsons also ordered Lusk freed from County Jail, where he had been since May on a contempt-of-court order. At that time he refused to produce the stocks.

### GOES BACK TO FARM

"Maybe I should have hired a lawyer when all these troubles started," Lusk said after court. "Now I'll go back to the farm to harvest a crop of hops and gather my scattered chickens."

The hearing aid was necessary because Lusk, a bachelor, is nearly deaf and often has been unable to understand his court-appointed attorneys or the court.

The government will use the securities to satisfy nearly \$79,000 in income tax liens dating back to 1945. Funds remaining will be returned to Lusk.

### IGNORED SUMMONS

For years the fiercely independent farmer ignored government summons and claims. Once drawn into court, Lusk refused to pay, claiming the "tax boys" must have erred in their calculations.

Last December, however, he offered to settle with the government for \$500.

The federal prosecutor termed the offer ridiculous, and Judge Parsons ordered Lusk to take a mental examination.

"This guy is one for the books," said attorney Sidney J. Goldstein, appointed last year to defend Lusk.

"I'm sure the government would have settled for less," Goldstein said, "provided that he would consent to sell his securities and then turn in the money."

"But he'd rather go down the drain than compromise, even though he knows the government wouldn't bend."

Lusk's only complaint Friday, Goldstein said, was the fact that the case had lasted only 15 years.

"He wanted to beat Sgt. (Alvin) York's record of 17 years," Goldstein said. York, the World War I hero who died recently, also was involved in a tax dispute with the government.

## Bring Charges In Hit And Run Death

HARRISBURG (AP) — A 28-year-old Harrisburg man has been charged with involuntary manslaughter and failure to stop at the scene of an accident in the hit-and-run death of William J. Trombino.

City police said the man, John P. McGovern, walked into the police station Sunday and said he was the driver of the auto that killed Trombino Saturday night in front of the victim's city home.

He was released on \$1,500 bail Friday.

Trombino, 48, was an employee of the State Highways Department.

## LITHUANIAN GRANDMOTHER LOVES AMERICA

By BOB THOMAS  
AP Movie-TV Writer  
HOLLYWOOD (AP) — "Thank you, everybody. Thank you, America. Thank you, California."

This was the exuberant comment of Mrs. Ludvise Kamandulis, 85, of Lithuania after 10 weeks in a new land. She is the grandmother of actress Ruta Lee, who brought her here after eight years of dealings with the Soviet Union.

On a sunny autumn day Mrs. Kamandulis was cheerfully sweeping off the steps of Ruta's hill - hanging Laurel Canyon home. She is spry with a quick smile and a double braid of thin white hair atop her head. When she talks of America, the words come in a flow of Lithuanian.

She sat in the den with her blonde granddaughter and Ruta's mother, Mrs. Joseph Kilmonis, who acted as interpreter for her. Ruta explained that she herself learned Lithuanian before English in her Montreal home.

Except for 12 years in Siberia after World War II, Mrs. Kamandulis spent nearly all of her long life in Lithuania. What does she like best about America?

### 12 YEARS IN SIBERIA

"Everything," she said glowingly. She is dazzled by the abundance of food and only regrets that she can't partake of the meat. "I am a very old lady and meat hurts me here," she said, holding her stomach.

"She adores ice cream," Ruta added.

Does Mrs. Kamandulis miss anything about the Old Country?

"Oh, yes," she nodded. "It is hard to leave the faces that you know. But here I have my daughter and my granddaughter and the church and freedom, and that is enough to keep me happy."

### FREEDOM TO WORSHIP

Ruta's mother commented: "That was the thing that impressed her the most — that she could go to church and pray any time she wanted. Her religion means very much to her. She still carries a Rosary that a man made her out of old beads in Siberia. It was only recently that she was allowed to go to church again in Lithuania."

Mrs. Kamandulis spends her days putting about the sprawling house, sweeping here, dusting there.

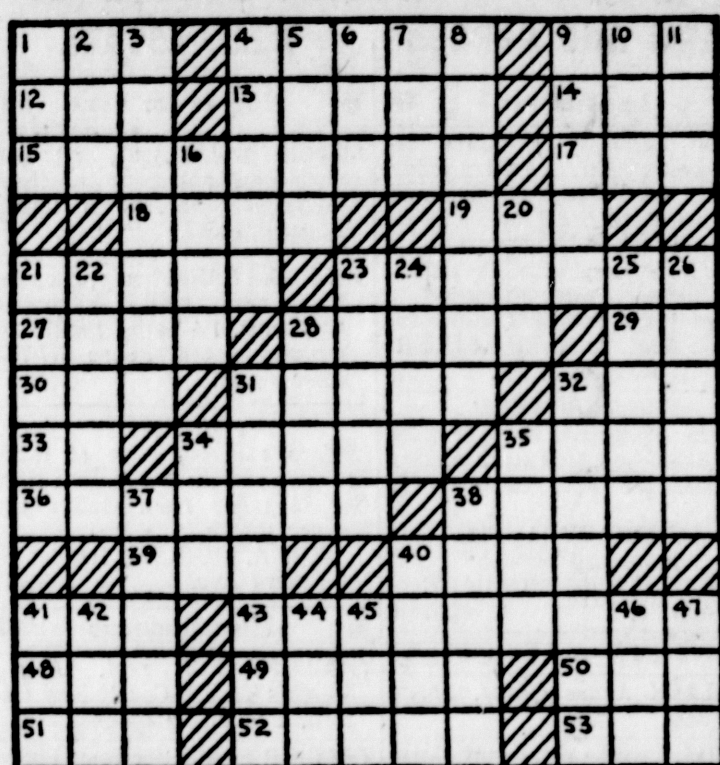

"She loves to do things for me," Ruta said, "and she is always straightening up my bedroom. One day she looked at the big bed I have and she started singing an old song about how it is good to sleep but it is better to sleep not alone. That's the country humor coming out."

I asked Mrs. Kamandulis if she thought her pretty granddaughter should get married.

"Married — not married — whatever she wants," was the reply.

"In her eyes I can do no wrong," said Ruta. "The other day she and mother were watching an old 'Cheyenne' I

## CHARGES HE WAS FIRED FOR AIDING SCOTT

HARRISBURG (AP) — An employee in the Democratic-controlled auditor general's department charges that he was fired from his \$5,268-a-year job because he campaigned for Republican Sen. Hugh Scott.

The charge was made by Noe J. Catalano of Lebanon, who said Sunday that he was dismissed, effective Nov. 27, on an order signed by Auditor General Thomas Z. Minehart.

Catalano works as an auditor in the department. He charged in the Harrisburg Sunday Patriot-News that he was fired because "I exercised by right to support the candidate of my choice."

He said he supported Justice Michael A. Musmanno for the Democratic nomination to the Senate in the April primary. Musmanno lost to Genevieve Blatt, secretary of internal affairs.

Minehart was quoted in the news story as saying:

"He (Catalano) merely opposed the Democratic ticket openly and this entitled me to withdraw him from our service."

Minehart is in Arizona attending an auditor generals' meeting.

## JACK BAILEY HANDED OUT \$13 MILLION

HOLLYWOOD (AP) — When Jack Bailey took the job on June 20, 1945, he was told it would last two weeks. Three weeks ago it ended.

"It feels kind of funny to be unemployed," says the dapper Bailey, emcee of "Queen for a Day" for two decades, the last nine years of it on television.

"But good things have happened, too. I never realized I had so many friends."

### DROP "QUEEN"

ABC dropped "Queen for a Day" from its afternoon schedule, and its owners have filed suit for damages, charging deliberate sabotage of the veteran program. Now there are plans to enthrone "Queen" in syndication to independent stations, starting after the first of the year.

But Bailey is not waiting around. His first job on the outside is a comedy role on CBS' "Mister Ed" for old friend Arthur Lubin, who directed a film version of "Queen for a Day."

"They told me to report at 9 in the morning; I said I'd be there at midnight the night before," Bailey said. "The old ham is rising back to the surface."

"When I was going to Drake University, I played in a band for \$75 a week and did a nut act, like Ish Kabibble. One night Ralph Bellamy and his wife danced by and he liked my act. The next thing I knew, I was delivering telegrams in plays at his Des Moines Theater for \$30 a week. So you know the ham had to be pretty strong."

The Iowan came to California during radio's golden age and became announcer for "Ozzie and Harriet," "Duffy's Tavern" and numerous other shows, as well as emcee of a daytime, "Meet the Missus." Then "Queen for a Day" came to town.

Bailey estimates he has handed out \$13 million worth of gifts down through the years to women seeking their heart's desire. Four queens are still in distant parts of the world on trips won on the show.

His interest never paled. "I don't want to sound maudlin," said Bailey, "but I do have a genuine interest in people. Each season I looked forward to the new contestants who would be on the show."

The number of broken legs, per capita, decreases with age but "maybe older people are just more cautious skiers," Anderson said.

## WANTED! MEN-WOMEN

from ages 18 and over. Prepare now for U. S. Civil Service job openings in this area during the next 12 months. Government positions pay high starting salaries. They provide much greater security than private employment and excellent opportunity for advancement. Many positions require little or no specialized education or experience. But to get one of these jobs, you must pass a test. The competition is keen and in some cases only one out of five passes. Lincoln Service helps thousands prepare for these tests every year. It is one of the largest and oldest privately owned schools of its kind and is not connected with the government. For FREE information on government jobs, including list of positions and salaries, fill out coupon and mail at once—TODAY.
